Get Healthy. Stay Healthy. 90-Day Challenge with Dr. Ryan Powell

The "Get Healthy. Stay Healthy." 90-day challenge will change the mental, physical and spiritual outlook on health, fitness and weight loss for all participants. It will create building blocks of a healthy culture by using a fun, interactive and motivating incentive-based team structure.

We will equip participants with resources and practical skills to sustain a healthy lifestyle. The challenge will provide a structured program that allows participants to pursue and achieve their long-term health goals.
